

Ranges

Woodwind: Saxophones

	Written pitch	Sounding pitch	
Sopranino Saxophone			sounds a minor 3rd higher
Soprano Saxophone			sounds a major 2nd lower
Alto Saxophone			sounds a major 6th lower
Tenor Saxophone			sounds an octave plus major 2nd lower
Baritone Saxophone			sounds an octave plus major 6th lower
Bass Saxophone			sounds two octaves plus a major 2nd lower

You will notice that all saxophones are written at the same pitch. Their tuning is in either Eb or Bb, and that alternates as you go down through the list.
