

# Ranges - Brass

Piccolo Trumpet in Bb		Sounds a minor 7th higher
Trumpet in Bb		Sounds a major 2nd lower
Trumpet in C		Non-transposing
Horn in F		Sounds a perfect 5th lower
Flugelhorn in Bb		Sounds a major 2nd lower
Trombone		Trombones come in various sizes. The most common trombone is the tenor trombone. It is also called a 'B flat' trombone, but it is actually a non-transposing instrument.
Bass Trombone		
Euphonium		The bass trombone and euphonium are also in B flat, but written at concert pitch as non-transposing instruments.
Tuba
